The Lady:

Very attractive slim redhead, early 30's. I arrived at changeover time and JJ wasn't due to start until 6pm. The other 3 ladies just weren't my cup of tea(nothing wrong with them at all, just some people you fancy, some you don't) so I asked if I could see JJ who was milling around looking very sexy. Luckily for me, she agreed!

The Story:

An absolute joy!! I was shattered after spending 12 hours(its true!) driving. She basically pampered me for a bit. She was friendly, her laughter is infectious, she told me the tale of how she got into this which I won't repeat, but she clearly does it because she enjoys it. When I asked her, she told me that she doesn't kiss, but we ended up snogging loads.

If you want the details, well she gave me a small massage, a bj, went on top, i gave her oral then went on top to finish, but it was how she did it that made it fantastic. She's incredibly sexy, responsive, and told me several times how nice I felt inside her, even after we finished. Honestly, If I met her outside or go back too often I could get smitten, she is just a very sexy, lovely lady.
