The Premises:

The Georgian, this place is becoming a firm favourite of mine, the rooms are really nice, clean, and the parking area behind the club is safe and covered by CCTV. This time the receptionist, Sue, recognized my voice on the phone and gave me a nice welcome when I got there! That's definitely a bad sign!

The Lady:

Jenny is a really pretty, slim coloured girl with a fabulous figure and a nice natural firm pair of medium sized breasts. She has a sweet, shaved tight fanny and a lovely shaped arse, altogether a beautiful package!

The Story:

This was a passing visit on the way to London and the Georgian is now a natural stopping point on the way, I'd noticed Jenny on my last visit and thought at that time I would like to see her, this was my chance and I took full advantage of it. The room I selected was the penthouse suite, with a nice big Jacuzzi and separate shower. Jenny went to get me a drink while I took a shower, when she returned she slipped out of her clothes and asked what kind of massage I wanted, I said I would leave the choice to her and she selected Talc. After a few minutes of stress relief I turned over and slowly stroked her fanny before sliding down the bed and beginning a lovely oral session. Jenny appeared to appreciate it and when I stopped she eagerly put a condom on and gave me an enthusiastic cowgirl ride. Very nice! Sex with her is lovely and I really think that the Georgian has a another starlet on it's books.
