The Story:

It just gets better and better with Debbs. This was my second evening appointment and it is very pleasant indeed to have the whole flat to ourselves. After Debbie opened up the flat we were undressing each other before too long had elapsed and I was being treated to one of Debbie's famous Anerley showers. Out of the shower and into the bedroom and slow sensual kissing stroking cuddling and general mutual pleasuring. What a mistress of her art Debbs is.

Debbie was determined not to let the evening conclude without a fantasy play and I was persuaded to opt for her policewomen role play which involved my being arrested roughly thrust up against the wall and generally used and abused by Debbie armed with her truncheon. On to the bed where Debbie made great use of a variety of toys before we fell into a giggling heap and enjoyed each other fully.

All this followed by enjoyable friendly chatting makes for a real girl friend experience which I look forward to repeating soon.
