The Story:

Patrice is back!!! I was gutted when I discovered she had left. I'd been to see her towards the end of July and posted a glowing report. Unfortunately I was unlucky in getting it onto the system straight away ? I kept getting the ?try again later message?. Then I went away, so it was several weeks before I posted it. Then she vanished from Sandy?s and the website and as a result all her FR?s including my last one, were removed from Punternet, which was only right ? we don?t want out of date or irrelevant info.

Then, earlier this week, I was planning a visit to Manchester and my favourite parlour (one guess) and bingo! There it was! ?Patrice is back!!!? Happy days (well, half hours) are here again.

Thursday came and I rang in at about 12 noon and made an appointment to see Patrice at 2.30pm. I got there at 2.25pm and was told she was running half an hour late. Nothing new there then, but I didn?t mind because Patrice doesn?t rush her gentlemen friends. I was finally taken to the room at 3.35 and she came in at 3.45pm. No problem for me ? I'd have waited till hell froze because I knew I was going to see my favourite WG again.

I wasn?t disappointed. I got my full half hour of heaven with her. For a rundown on what happened read my last FR on her (23073, which Galahad has kindly reinstated) ? it was just the same only better.

Patrice, you were as amazingly marvellous as ever. Thanks again and see you soon. xxxx
