The Story:

It was a busy night when I called, so there were 2 girls available. Other girl was busy. I decided to choose Karina, She was pleasant, the massage was brief, and when I turned over she was keen to apply the condom before I was hard. However, I asked her to wait till I got myself hard. As she had her legs wide open waiting for me, and soon got me hard, applied the condom and entered in on top and after few strokes I had the climax and lay down for a little while as she massaged my back. Average punt.
