The Premises:

It's all been said before, Sandy's is very good although I do think the Reception/waiting room area could be improved.

The Lady:

Patrice, very good looking, nice body and legs. Slim and slightly athletic with lovely dark hair. Supposed to be mid to late thirties, certainly doesn't look it.

The Story:

Well, Patrice is back!! Whether it was a mini retirement or a rest it certainly worked wonders. As good as she was before, and she was good, Patrice was even better. I had a wonderful half hour, her GFE is so real. She's not a WG, she's your partner. OWO, her eye contact when doing it she just blows your mind (and other things!). Her repertoire in coital positions is immense. Why does time fly so when you want it to last forever.

She also has such a lovely speaking voice and pretty intelligent with it, sensible conversations are the norm. No rush whatsoever with Patrice.

Thanks Patrice for a terrific half hour, full of fun and a wonderful break from the traumas life brings. I'm saving up again.
