### The Premises:

A very clean and discrete building with easy on street parking near by. Several rooms available as apparently more than one girl work during the week. A vast array of clothing and toys around the walls, this place can cater for anything!

### The Lady:

Described over the phone as 32 and size 12, Isobelle's description does not do her justice. Yes, aged in her thirties and probably a bit heavier built than size 12, but with tremendous breasts and an overall appearance resembling Marilyn Monroe. Extremely friendly and easy to chat to, and not shy to enjoy herself!

### The Story:

I've read previous reports on here about this place and thought that they were fake. They're not. The place is very clean and Isobelle is amazing. There's a 12 pound admission fee which I wasn't told about over the phone (apparently the receptionist was new) and after that the fees range from 30 to 60. Take 60 you won't regret it!

Thanks Isobelle, see you soon.
