The Premises:

The Directors Lodge is well documented elsewhere. It is really luxurious and clean, I think i'll move in.

The Lady:

As described.

Marilyn Monroe. More mature blonde, massive naturals, size 12 ish.

Very presentable figure and looks, I wouldn't have suggested she would be my type, However.....

The Story:

I was shown to the room by the efficient receptionist, who to be honest has a really nice ass to, to the room with the 4 poster bed, really nice uniforms on the wall.

When Isobelle entered the room I was a little unsure as I usually go for petite dark types.

She was really friendly and it seemed like i'd known her for years.

The massage was excellent. Her forte is the tit massage all over.

This is crazy i'm not a tit man i'm a leg man.

It was wonderful.

This was followed by reverse o well what can I say, I think she came or she needs an oscar. Missionary followed, spurt ENJOY!
