### The Premises:

The main attraction of the Ladybirds parlour is the very friendly approach of all those who work there. Front entrance on main road out of Leicester, but more discreet rear entrance available if you wish. The rooms are clean and pleasant, with clean towels and showers available. There is also a sauna but I haven't used it during my visits. When you arrive you find yourself in a large lounge with sofas etc. where you can meet the girls. It's a nice relaxing place with very friendly receptionist and drinks available from an adjoining kitchen. If I was to nit pick, I think the entrance and lounge area would benefit from re-decoration. They may give the wrong impression because you are about to have a brilliant time! After quite a break from this hobby (note my lack of recent FRs) I could no longer resist temptation! I visited twice in one week and saw 3 girls on each visit. I've repeated this intro to Ladybirds on each review so just skip it if you are reading more than one.

### The Lady:

Angela (known as Angie)

Petite, slim mid 20s? with long wavy hair- light brown. Fantastic long legs and very pretty face.

Smallish breasts, but I like them that way, and lovely responsive nipples. Dressed in a shirt skirt and tight 'bustier' type top.

### The Story:

Angela was the third girl I saw on this visit. I had intended to just see 2, but seeing her in the lounge was just too much temptation. I'm really pleased I gave in to it!! Angela is not one of the regular girls at Ladybirds and is obviously keen to establish herself and build up a regular clientele. I really liked her. We started with a fantastic massage, a combination of firm and teasing (nice gentle use of nails). No rush at all and it wasn't long before she asked if I minded her stripping off so she could use her body in the massage ? obviously I was happy agree! She has a pleasant chatty style and I felt very relaxed with her. We agreed that I would like the full personal with O and reverse O. She gave me O first ? excellent technique, eye contact etc. When we talked about positions, 69 etc?.

she said 'lets just go with the flow' which I thought was a nice touch. She made me feel very horny and when I gave her O she was clearly enjoying herself, which makes a lot of difference to me. This was my 3rd girl within 2 hours so I wasn't sure whether the equipment would fully deliver! I needn't have worried. I was her first client that day and she obviously hadn't worked for a few days. She made it clear that she hadn't had sex for 'quite a while' and she expected to be nice and tight. She wasn't wrong and it was a fantastic climax to a brilliant visit.

If I was running Ladybirds I'd get Angela on the books permanently. If you don't manage to stay there Angie, email me to tell me where I can meet you. I had a fantastic time - love to see you again. Thanks Angela xxx
