The Premises:

Clean & safe there is a back entrance at the back. Lisa said they are going to having a sauna & jacuzzi fitted soon. They also do a two girl option. I also meet one of the other girls (I think Lisa said her name was Nazz (Sorry lads I've got a crap memory for names)) she looked very nice & worth a vist next time I think.

The Lady:

I can't improve what has already been written about this gorgeous lady.

The Story:

Once we stripped down down it was down to business. Lisa does a very god massage with lots of rubbing her body over yours. Turn over onto my back & started with some passionate kissing. She then moved down to start some very good OWO. It was then my turn to return the favour & give her some reverse oral, & by the moans she was making I like to thin she was enjoying it. It was then on with the rubber & down to action. after a few positions finishing off with doggie she finished me off with some more OWO till completion. We then just lay doen talking to my time was up.
