The Story:

I have been to pearl before and i find her the best in the area,very friendly and willing to please.On this occasion i was greeted with a cup of coffee and a chat for about 5 minutes,when we discussed my requirements. these were CP across the table with crop,cane and whip! (pearl has developed some good skills with these now that she advertise's this service)With a sore bum we made the way to the bedroom where i recieved a body massage ,then i performed oral on pearl which she enjoyed then my turn oral and the mesh doggy style.

The best just got better and only ?70 quid
