The Premises:

Flat in a purpose built block off Earls Ct Rd which she shares with another girl. They had newly moved in so furnishings were sparse but place was clean.

The Lady:

Slim, about 5'4", girl next door type. Really nice to talk to. has good understanding of English. Pictures on Web Site are her, although she is nicer in person.

The Story:

I had met this girl before through Scandalbabes and enjoyed myself enough to want to book again a week later, but she was gone from their site.

I punt quite often and use & read Punternet FR's regularly to find girls I would like. I was delighted, therefore, to read a report which linked to Touch of Class Site and there was Olivia. Same girl as with Scandalbabes, but different name. So I booked her immediately.

When I arrived, she greeted me in a long, backless evening dress, offered me a drink and as she fetched it, I left the money on the coffee table where she would see it. Once she rang her agency to confirm my arrival, she invited me to her bedroom where she took off her dress, revealing that she was otherwise naked. I hastily discarded my clothes and I can only say that what followed was sheer bliss.

First she gave me the most slow and sensual BBBJ with plenty of eye contact. All too soon I could feel myself coming and told her I was near. With a wicked grin, she renewed her efforts and I exploded into her mouth. She waited until my twitching had subsided and went discreetly to the bathroom. When she returned, I suggested that she might like me to give her some oral and she nodded enthusiastically. I enjoyed the feel and taste of her until after a while, she too came.

We chatted for a bit.. She asked how I had found her again and I explained about Punternet. Then it was my turn again as she once again gave me a lovely BBBJ, to get me hard again. Then on with the condom and sex in first Cowgirl, then Mish, then Doggie and finally Mish again where we kissed passionately as I came again.

I have seen her again since....and will hopefully see her again soon. Olivia is truly sweet and a real GFE. I would happily recommend her. She is a little gem. Treat her well .
