The Premises:

A large and expensive flat in a very residential part of York. Five minutes by taxi from the rail station.

The Lady:

A lovely lady in her thirties who simply oozes sex appeal. All the previous FRs say it better than I can. She is, quite simply, lovely.

The Story:

I had been to see Cat once before - about a year ago when she was at a different address. This time, with the memory still vivid in my mind, I wanted 2 hours. I arrived by taxi and was guided the final few yards by mobile 'phone to her entrance with an amusing dialogue advising me occasionally to look up - I did, and finally saw Cat standing in the window wearing not a lot more than her stockings! Not a bad start, I thought! We then sat down and discussed my requirements; won't go into detail but suffice to say she has absolutely no inhibitions and encourages others to lose theirs! Well, I had a fantastic 2 hours with a lovely lady who really knows her stuff. She is fun and amusing to be with during pauses in proceedings and I really felt I was with someone special; more importantly, she made me feel I was special. She is very much a people person who loves to talk and it was with her encouragement I have submitted this, my first, FR. She did ask me to mention, with a smile in those beautiful dark eyes, that she thought some of the things we got up to are illegal!! Afterwards she gave me a lift back to the centre of York where I spent a considerable time floating about six feet off the ground!
