The Premises:

Spotless. Lovely luxury flat on the outskirts of York, close to main roads. Easy parking, felt very safe.

The Lady:

Blonde, very sexual, in her thirties, not a skinny model and not a fatty but a full, proper woman.

The Story:

Outstanding. I have been meaning to visit Cat for a while but never had the need to go to York. This time I managed the trip and scored an appointment. She undressed me, she gave superb oral, lovely intimate kissing, fantastic sex then more oral to completion for seconds. In between the bouts of passion we had a nice cup of coffee and a chat. I truly enjoyed her company, someone said in a previous report that she puts you at ease instantly, well I have to agree. I was there for nearly an hour and a half, no clock watching, no hassle. Highly recommended. She is a natural.
