The Story:

I make no excuses for submitting a second report on Tara - I decided an evening with her was long overdue after 10 months! She arrived bang on time, looking stunning as ever.

The evening passed all too quickly but Tara's down to earth sexuality meant that although we spent some time chatting and catching up on things, most of the evening was spent in passionate, horny sex. Needless to say after her departure I slept like a log!

I will return!
