Clean. Ok area but I felt unsafe since it was very deserted at that hour of the night.

The Lady:

As per pics, overall the best looking girl I've seen in London. Very pretty, fit body, smooth skin. See previous FR35260 on Elena.

The Story:

When I saw this girl, she was listed as Elena on the website. Now called Alina.

Very good looking so I had high hopes. Offered a drink and told to undress and have a shower even though I insisted that I had just had one (and I had, I figured it would save time). Anyway, I did as requested because I wanted things to go smoothly.

Started off well enough though she didn't kiss too enthusiastically. She was doing this sexy dancing type movements, very sensual, teasing and I was really enjoying it. However, I agree with previous FR that she had a routine and didn't seem relaxed even though she was trying to come across as relaxed. Also, agency promised that owo was available but this didn't materialise (despite the shower). during 69 she wanked me off.

Round 2 started off with covered oral (very enthusiastic) but she wanted to make me cum fast and I was trying to stop her because I wanted sex. Eventually managed to stop her and had sex in mish. Top marks for sex but the oral had done the damage and I came sooner than I would have liked.

This girl is extremely good looking but doesn't know what's required or doesn't want to deliver. If she relaxed and was genuinely enthusiastic, she would be able to charge much more. I will see her again eventually because she is very good looking and I am hoping that her service will improve as she learns. fingers crossed.
