The Premises:

Very small flat in that well known building in Sloane Avenue.

The Lady:

Very attractive girl from Estonia. Description on the website is accurate, although her English is not brilliant. Conversation is not the reason I came to see her!

The Story:

Alina or Elina was wearing a short sexy summer dress when I arrived. This showed off her super little figure to the full!

As I sat down Alina went to fetch me a drink, various headboard banging noises were emanating from above. This went on for quite a while so someone was enjoying themselves and I have to say I was quite impressed with the performance!

Alina came back in and sat on my lap. Straight away she could feel, I'm sure, that she was making an impression on me! Off came that dress and she was down to her knickers as I quickly followed suit and undressed. Seeing Alina strut around naked in just her high heels is superb. She tells me that back home in Tahlin she works as a Lap-dancer and I had no reason to disbelieve her.

We kissed and cuddled on the bed before she made her way down my torso to suck me. Didn't get OWO or CIM as promised by the Agency. But quickly into 69 for a lick of her as well. Onto her on top and finished in missionary. No chance of round 2 for me today as I'd had quite a demanding day yesterday with another lady that I cannot write about.

So, to sum up, this punt was a little dissapointing but still a great little shagger!
