Very nice. Clean, modern flat in a recently built complex. Underground parking nearby.

The Lady:

Anika looks even better in real life than in her photos. Gorgeous slim body, well proportioned in all the right places. At my request she was wearing stockings / suspender belt / thong / bra (all white) - stunning!

The Story:

This is the second time I have seen Anika. As many have previously described (myself included) you get welcomed with a wonderfully passionate kiss. However, this time (probably since I told her how much this turned me on the last time) she didn't stop with the kiss and instead was all over me. She had no interest in sorting out the financials first (indeed, I tried to give it to her as she was pulling my trousers down but she just tossed it to one side and carried on!)

Without getting too explicit I am happy to report that I enjoyed excellent OWO and doggy-style (finished with CIM). After a relaxing break Anika gave me a great massage to get me going again and then for the second round we undertook oral sex in a variety of positions.

Had a great time. Anika is very enthusiastic and can't help but give great satisfaction. Counting the days until I can see her again (next time I will see her with one of her friends...)
