The Story:

Did not have much time to choose a girl this time, but found Christines details on the web and she was availaible so booked her for an hour.

She arrived on time and looked stunning and well dresssed in casual clothes. Got the money out the way then stripped for action. OWO was great lots of eye contact and deep sucking, went into 69 for a long while which she seemed to enjoy. Slipped on condom then sex in missonary and doggy to finish.

She cleaned up then stayed for a few minutes to chat. A really nice girl and I cant fault her. May book her again if she is free when I call
