The Premises:

Flat in a residential area, with a reasonable sized bedroom.

The Lady:

Very slim / skinny. Long black hair, reasonably attractive. Was in two minds about weather to go through with it, but was swayed by the fact she was so friendly. Asked if I could come twice for the money and she agreed.

The Story:

In the circumstances went for a quickie first with her sucking my cock pretty deeply to get him stiff and then spreading her legs for me to bang her in mish. Spunked fairly quickly. Would I (or she) be able to get it up again. We chatted and smoked a ciggy, whilst Nadia stroked my cock enough to produce some hardness and I played lightly with her shaven cunt. I knew then that her very good cocksucking would finish the job and so it proved. This time I was able to spend longer inside her, fucking her in doggy and mish as well as a sort of halfway between position before a second orgasm. A good session, though I'm not sure I'd repeat it as she reminded me a little too much of a girl with whom I'd had a brief fling in the past. If you're not saddled with this baggage by all means give her a go.
