The Premises:

Sandy's Northenden. It's very convenient with its own car park. It has just been resurfaced, thank God!!! No more muddy shoes. The only down side is now everybody will be using it and Sandy's clients won't be able to get onto it.

Ushered into the room with the pentagonal bed. The ablutions at Northenden are excellent.

The Lady:

Morgan, mid to late 20's, 5ft 8ins, good looking and a lovely lithe athletic body. Exciting, active and sexy with it. Lovely dark hair.

The Story:

I've managed to see Morgan on four very frequent occasions recently. Normally I couldn't afford such luxuries but the 'Winter Fuel allowance' has done wonders for my budget. I've had a very warm 30 minute period per week over the last month. I know I shouldn't produce constant FRs for the same WG, but I just feel when she goes out of her way to give excellent service it should be recognised. After all that's what FRs are about. Write them on very good or very poor service and not bother on the run of the mill ones. FRs are more useful to prospective punters if they give an opinion one way or the other.

Morgan was again excellent with her GFE, her reverse oral and various positions. She slows it down a bit for me, I just wish I was a LOT younger and able to experience her in one of her more 'raunchy' roles. Once again she introduced me to another position. I was lying there and she climbed on board and did it yobwoc. Now Morgan is very lithe and slightly athletic and being yobwoc? That's reverse cowboy, of course! Being a very good exotic dancer her groin and hip movements made it a wonderful experience. Absolutely fantastic! Morgan, you are a very sexy lass. But, unfortunately, I'm back to normal now and have to save up, so it'll be two or three weeks at least before the next time.
