The Premises:

I visited the Georgian a few times a couple of years back but for a variety of reasons haven't been back since. When I first visited however it set the standard by which I rate other Manchester parlours. Parking is easy, the rooms are excellent, front of house is friendly and well organised, there always seem to be plenty of girls available and most important of all the girls I have actually seen have been good looking, friendly and skilled at their chosen profession.

Maybe some parlours may have slightly better accommodations nowadays, and some others may have 'better' girls (whatever that might mean), but overall, from my (admittedly limited) experience, I'd certainly say the Georgian remains one of the very best places to punt in the Greater Manchester area, and for an out-of-towner like me is always a reliable port of call.

Cost is based on time and room, specialities like OWO and CIM are at the ladies discretion, but the only extra seems to be A-levels. I was able to use my favourite room - the Gold Room - which comes with a lovely big bed, a Jacuzzi, a shower and loads of big mirrors.

The Lady:

Tanya has an exotic heritage, and is as far as I can make out half Malay, a quarter French and a quarter English. The result is a very pretty lady of medium height with a generous and delightful figure - lovely legs and bum, delicious shaven puss, and a pair of big beautiful and entirely natural boobs. I was also very taken by her wonderful smile and lovely soft voice.

The Story:

I hadn't actually intended to go to the Georgian, however my initial intentions were thwarted by not phoning ahead, and I used it as a back up. I was well pleased by my visit though.

Once there I found there were six girls on duty, one had just started with a client and another four were waiting in the lounge, a couple of whom I quite fancied. When the remaining girl appeared with a very friendly smile and greeting though I made my mind up at once - Tanya was the girl for me.

An hour or so later, after a splendid romp, I asked Tanya if I could write an FR about her. She

seemed cautious - and said okay as long as it was not detailed. So in deference to her wishes, I'm trying to be brief for once, the gory details being only for my private archive.

Suffice to say I had a great time as I have had on all my four previous visits. This included some lovely OWO (Tanya does not do this to completion though), a very pleasant massage and lots of fun playing in the Jacuzzi. It was topped off with some glorious sex.

I'd highly recommend the Georgian to one and all, and Tanya in particular is a gem.
