The Story:

Jan met me at the door clad only in sling back high heel shoes as I had asked. She then ran her fingers down her body to her shaven cunt, her fingers dipped deeply into it making a lovely shloshing noise. Jan said this is how I make it juicy for you.
She put her arms round me and gave me a long and very sexy kiss, her tongue darting in and out of my mouth, her hand wanking my growing hard on.
We went up to a very nice bedroom where she took off my shirt and dropped my pants, her hand wanking me to perfection.
She said "I'm going to suck your cock and make you spunk in to my mouth, I love spunk". With that she devoured my cock and sucked me taking it all to the shaft end in her mouth. How she gave me the feeling feeling in my cock that she did not know but soon I told her that cum was near and she began to wank me off pointing my cock at her tongue and catching my cum on it so that I could see it and then swallowing all of it saying that was a lovely present.
A dildo show followed, my fingers helping deep inside her cunt.
A second blow job then it was time to go, where does the time go.
