The Premises:

Nice block just off Edgware Rd in Sussex Gardens. Roomy, fine .

The Lady:

Jessica is very petite , 5'2" or so ideal for me , but a perfect little shape ,so pretty , small but lovely suckable boobs but a gorgeous pair of hips and buttocks tapering away from a tiny waist , and all soft and cuddly .

The Story:

Jessica is a delicious little poppet , and after a few hesitant moments she just took hold of me and deluged me with cuddles affection and deep French kissing , I thought it was my birthday ! She hasn't much English yet in a fluent sense but makes up for it manyfold with a sincere passion to please you and she has an obvious intelligence and sincerity .After lots of heavy petting I gave her a nice massage which I think she loved and in our subsequent fondling and me giving her a deep rimming of her gorgeous arse I felt she was very wet indeed and just had to request the old rubber as I was desperate to slide inside her . Despite being petite Jess has a lovely soft deep pussy which I much prefer to the too tight kind and it was a wonderful cum and she let me stay inside her for ages ! We had a mad chat afterwards what with the patchy English but she was all affection and warmth , adorable little darling !! have always had nice experiences with this Agencys girls .
