The Story:

she arrived on time and was warm and bubbly. i paid in advance and she sat on the bed and rubbed my neck and chatted. she asked me to get on the bed while she went to the ladies room. she came back in an a classy lacey bra and knicks and gave me a lovely back massage and really took care and made the effort . she turned me over and gave me a slow soft blow job and really made the effort to feel how i liked it.

i did not finish and she invited me to do the same to her which i did and loved her fresh feel she rode me and looked in to my eyes and bit her lip. i went in to miss and she wrapped her legs around my body. she asked me to finish from behind which i did and i fell sweeting on to the bed next to her. she caressed my face and chatted how she like it. she didnt hurry out and talked for while about what she had planned for her week end. she left and i lay on the bed in heaven lovely classy young cute girl
