The Premises:

Typical quiet terrace house on a side street,
Pay and Display parking on Lowlands Road close by.
Decent interior, but not plush. Pillows and sheets doesn't smell.

The Lady:

Young and beautiful Swedish blonde, a pleasure to behold,
a hint of Britney Spears about the face, when viewed from the right angle.

The Story:

A beautiful young woman with a great body, probably perfect skin, sucking your dick and licking your balls, and smiling at you, what more can any man want? With a mirror on the side of the bed, you can still see some of the action when you are doing 69. Even her pussy is pretty. Her OWO is good, with all the right ticks on the score sheet, but I would say 9/10 for presentation, and 7/10 for the actual act. It's a good OWO, but not a great OWO. Sorry to be so critical, but OWO is what I like, and you always compare with the best you've had.

Karen was very pleasant throughout, and the conversation flowed quite naturally. Her massage is a little different: instead of lightly gliding with finger nails, she uses her finger tips, which are wonderfully soft.

She seems to be quite sensitive all over, which is somewhat gratifying. I would gladly spend more time pleasuring her, but the knock on the door informed us that two punters were queueing. I think we overran the time a little, but there was no bum's rush at all.

I promised I would do a FR, but the FR mailbox has been full; but now here it is, Karen, enjoy.
