The Premises:

Very large & Smart basement flat not far from Gloucester Road tube station - own entrance, very safe and salubrious

The Lady:

The camera lies guys - she is MUCH more attractive than the pics suggest. Probably about 5'4", but a really beautiful body (not for the big boob men) and really tight buns that were a delight to hold onto ! She is from Russia, has been here about a month, but has much better English than most EE girls, so real conversation a possibility if you can tear yourself away from making love to her.

The Story:

She is really enthusiastic, loves receiving oral, gives really good OWO and is an absolutely delight to fuck - she loves it and it shows in all she does. Not really into wild sex, shouting or anything like that, but a thoroughly enjoyable hour with a beautiful young woman who was happy to make love however you wanted it. Definitely 9 out of 10
