### The Story:

The party is booked over the internet and deposit paid for by nochex via web site ?50 secures a place for 3 hours, although you can do an hour session.

Directions are given on day via txt or phone call. Very safe area & discrete entrance. Met at entrance by Jase..who handles the security & finance?a very likeable chap! You are then led to a changing room where you can shower and change into a dressing gown, from where you then go upstairs to join the party.

The girls were waiting in the lounge area?very chic?plasma screen TV, DVD, leather sofas. Plenty of wine/beer/soft drinks on offer.

Sable and Jo were sitting on the sofa to welcome guests and chatted away making you feel relaxed and getting into the party mood. April & Peaches were slightly delayed due to traffic so Jo & Sable decided to start without them.

Both of them sat down on the floor surrounded by 6-7 men and slowly stripped off, exploring each others bodies, kissing and licking each other as they went down onto or rather into each other. Sable has a lovely way of throwing her head back, flicking her amazing long hair and making eye contact with the guests. Jo was busy exploring between Sables legs, thrusting her very cute derri?re up towards us! Well?what is a man to do ..by this stage a few of us started kissing, licking and feeling any available breast, lips., mouth, pussy etc that we could get our hands on. Jo & Sable

were moaning with excitement & anticipation. Both girls felt & tasted amazing?.both of them wet from their tongues and the freely flowing juices. Next Jo & Sable separated and started sucking and licking the assorted hard cocks now offered in their direction. Jo laid back with a happy punter ensconced between her legs whilst she managed 2 cocks in her mouth alternating between them with deep throating action. Sable in the meantime was already being taken doggy fashion whilst she was vigorously sucking some else. This is no pretend show. Both girls were doing their best to drain every drop of cum they could. Sable sucked one happy guest to completion, swallowed, licked her lips then almost immediately turned round so another happy chap could squirt a huge wad of hot creamy man juice all over her chin, lips, face and hair. She eagerly finished him off, licked then wiped her sticky face and pitched back into the fray! AMAZING! Both Sable and Jo then proceeded to take 2 lucky men anally whilst giving blowjobs or wanking some other lucky man and judging from their moaning, loving every minute of it! Both girls make you feel wonderful by making amazing eye contact with you as they suck you , or giving you a wicked wink as they get spunked over. They all make a huge effort to make sure everyone is made to feel very very special!

April arrived and before she could even say ?Hi!? was pitching in giving multiple blow jobs whilst happy punters took her doggy fashion. She has a lovely curvy bum and the most perfect pussy?looking at it from behind it is a sight indeed to behold! It is also incredibly tight.

The next 2 hours were a bit of a blur. The rest of the guests ..probably 8-9 in total seemed a well laid back bunch. Some drifted off early but that left more girls for those of us with a bit more stamina..or the stupidity not to know when enough is enough! Jase was on hand to make sure people had enough beers, wine & nibbles. The girls were just incredible and totally insatiable?.when the men had to have a rest?.most of us having spunked out,they just paired off with each other and spent their time giving each other yet more oral.

Peaches arrived with a giggle and ? Hi Boys..I?m here!? and was promptly accosted and taken upstairs to be sucked & fucked?much to her enjoyment judging by her squeals of laughter!

The afternoon ended with four very tired but incredible horny girls chatting together, naked on a bed as the last of the punters, literally , crawled away having been totally shagged out by 4 of the most amazing, horny & accommodating women I have ever met!

Highlights?the oral & anal exploits of Jo & Sable, Sable being covered in cum, April licking Jo whilst being fucked from behind, and Peaches sucking Aprils tits with a cock up her puss & a finger up her bottom!

One of the best parties ever?.a true successor to Wicked Willy?.some of the best sexiest & horniest women you could ever hope to meet

VFM?110%

Would I be back?just you try and stop me!

Well done Sable & Her Team!
