The Story:

Called the phone number on the web site and talked to max who runs the agency and booked tyler for my visit. had to change my time and max was very nice and agreed to this. When i had got into the flat i was met by a beautiful aussie lady and those beautiful green eyes just looking at me. after a short talk where a glass of wine was offered but declined we moved to the bedroom where we undressed each other, i was then treated to a wonderful BBBJ with her sometimes looking right into my eyes. we then moved on to the bed and into the 69 position after she had rimmed me which was nice. After i had come she discreetly went to the bathroom and returned 1 min later and after a chat it was on to round 2 which was plenty of anal. This was very good value for money which was not asked for and i offered it at the end of the time. this is the way all good(or Dirty) working girls should be and i have to say that the best bit about her is those beautiful green eyes. will i return of course as soon as i can get my strength back i will be there like a shot.
