The Story:

Nadia has recently had trouble with her mobile phone, her old number being 07714 594 893. I was unable to get through to this number but was in the neighbourhood at the time so decided to pay her a visit and luckily enough she was home, and gave me this new number that she is using.

I visit Nadia on a regular basis and always leave with a smile on my face. Nadia is willing to discuss requests for something different, so don't feel shy about trying something you wouldn't feel comfortable doing with your wife/girlfriend. Definitely someone I will continue to see on a regular basis for her friendly attitude.
