The Premises:

Nothing more to be said about Victoria House that hasn't already been said. The rooms are great. The facilities, showers etc always clean and working. Receptionists are second to none. Always happy and attentive and always happy to talk or show you around. A fantastic atmosphere in really good clean surroundings.

The Lady:

Jenny - A stunner. I would put her in her 30's. Fantastic figure under that white coat. Always wear stunning lingerie. Great set of tits with superb nipples that soon get erect when she starts the massage. Wonderful pert arse.

The Story:

Well I have been to V House many times and seen a few girls. Four Tuesdays ago I went and ended up choosing Jenny as I fancied a change. It was so good I went back the next two Tuesdays as well. Not sure what was wrong with the bloke that left the previous report on Jenny but I think he was blind with no feeling at all over his body and the intelligence of a gnat. This woman gives the most sensual, erotic massage. Her manner and conversation is excellent and she never rushes. I spent three great times with her teasing me down below during the massage and then giving her some great oral. It doesn't take long for Jenny to cum over your face although she prefers to hold off and then play with herself and make herself cum whilst you shag her from behind. Her oral is good and the sex is mind blowing. Great to take her from behind viewing the great arse and watching her bring herself off.

Guys this girl is yet another top notch find for Victoria House. They have some great girls and this one features up there with the best of them.

Ignore the previous FR because it's seriously wrong.
