Just off main road, back entrance, large roughly stoned parking area behind. Large waiting area where girls were waiting, Karen had just popped out leaving jade and another girl.

As per web page, pretty girl, blonde, medium breasts, bigger framed.

The Story:

Well, what can I say, after a very pleasant time with Tara in Arabesque (sorry in previous report put in wrong location, ie Bury, not Prestwich!) This was another great punt, offered a shower, great massage, and she just did what she does best, french kissed, owo, rimmed and finally cim, was very pleased and fulfilled at my day out in the greater Manchester area, just might have to move there!
