### The Premises:

I like this parlour, I've been to about a dozen and rate this in the top three for cleanliness, first for ease of parking (there's a supermarket car park virtually opposite) and first for hospitality & friendliness. The area feels safe, you walk straight into a lobby so you are not hanging around on the street ringing the door bell.

### The Lady:

Sandy is a beautiful girl in her early 20's. She is blonde, slim with lovely curves. I didn't ask her measurements but would guess at a "C" cup in a size 10 dress. The sort of girl that most of us would be chuffed to be seen out with & who I'm sure looks good whether she's wearing a ?500 dress or jeans & a T-shirt. Sandy was friendly, chatty and we managed to strike up a good rapport.

### The Story:

I'd booked Sandy, but when I arrived she was busy. It wasn't her fault but I was kept waiting for 15 minutes. After a tense day at work I wasn't in the mood to be kept hanging around. I'd actually got most of my clothes back on when Sandy came beaming into the room like a ray of sunshine. She was so apologetic & looked so lovely just clutching a towel around her I was soon naked and back on the bed waiting for her.

Sandys massage was extremely pleasurable and unhurried. Apart from her hands she used her lovely young breasts to stroke my body.

When we got to the part where we discussed what services I'd like I have to admit to some disappointment when she told me that she didn't do reverse oral. I love to lick & taste a sweet pussy but hey, she has a right to say what she'll allow. I also love to kiss a girl, but that's rarely allowed so it was no surprise when Sandy explained that this wasn't on her list, and neither was anal.

So, you ask what does she do, Sandy is fine with being fingered, & is also happy to perform covered oral, watersports & offered to dominate me. Well I couldn't see myself going home with whip marks so opted for the oral, sex & watersports.

I really enjoyed Sandys oral, there is rarely a better sight than to see your cock in the mouth of a beautiful girl. I make no secret of hating condoms and can't imagine ever being able to cum while wearing one, but there was a point when I thought "My God she could actually do this".

But I wasn't going to cum before fucking her. We fucked in the missionary position and doggy.

Sandy made some very encouraging noises, just enough to turn me on, not enough that they sound

so false that you feel insulted, like some girls I could mention.

Finally I took charge of my uncovered cock while Sandy stood over me and sprayed me with her hot pee. That was the final straw that I needed to take me over the edge.

Sandy had another client waiting but did not rush off. She remained very friendly while we dressed & cleaned up. This attitude is so important. I never go back to girls that leap up as soon as you've cum & dash out of the room leaving you to feel no more important than a cum soaked tissue stuck to the bottom of their shoe.

I had a really nice time and will definately be back. Thanks Sandy
