### The Premises:

A luxury two bedroom apartment near Piccadilly Circus convenient for tube, secluded and discreet. Super area (it's the posh side of Piccadilly). Light buffet and soft drinks laid on, some of the guys supplemented this with wine or beer.

### The Lady:

Stella: a tall, slim, blonde and very classy German lady. In her late 20s with a very sexy German accent. She is intelligent and has a great sense of humour. She also has lovely pert tits and a luscious pert arse.

Lacey, 19, is a tall, willowy, down-to-earth English girl with short hair, C cup breasts and a very sexy bum.

### The Story:

When I attended the party on the previous day, Tuesday, (FR 39368) Steve was extolling the virtues of Stella. His description intrigued me to such an extent that I could not help but return for this party. I was very glad that I did!!

Stella is a real find. She is a very beautiful and very sexy lady who enjoys participating in good conversation as well as erotically charged sex. She is exceptionally intelligent -- well endowed with brains as well as beauty. Anyway the purpose of this FR is not to report on how stimulating our conversations were but to complement Stella on the exquisite stimulation offered by her skills in the noble arts practised by courtesans. Full marks for both technical merit and artistic impression -- and no disagreement from the East German judge. I greatly look forward to meeting Stella again.

Lacey is pretty and she enjoys what she does and is good at it. What more can you ask for? As well as ensuring guys' satisfaction, she keeps everyone well amused with a good line in patter. She is a sexy young lady who will no doubt be invited back for future Club Fantasy parties.

As those of us who have attended a number of Club Fantasy parties have come to expect, it was a well run, fun evening. The fact that Steve organises good parties is shown by the many guys who have become Club Fantasy regulars. This party was typically good: obliging girls offering everything

one could hope for in a fun, relaxed atmosphere.

Guys, if you are wondering whether or not to try a party, you could do a lot worse than to try a Club Fantasy event, at this price you have very little to lose ? only your inhibitions!!
