### The Premises:

Scorpio - as reported on numerous occasions

### The Lady:

Statuesque Italian girl - mid 20's - great figure, gorgeous boobs and partly shaved.

### The Story:

A great punt. Jessica has the sort of figure to arouse a corpse and despite a few language difficulties was great fun to be with. She has learned enough English to do a great line in talking dirty and at no point was in a rush.

Great OWO, during which she was looking at herself in action in the mirror, which she seemed to get off on. I then went down on her, and alternating between her gorgeous pussy and arse kept us both happy for quite a while.

Cowgirl and mish followed before she tempted me with either CIM or anal. I went for the former, planning to save the latter for another day. The sight and feel of her mouth working furiously up and down my cock made me shoot pretty quickly - she then teasingly opened up to let me see the end result.

God, it was good.

Highly recommended - particularly if you are fluent in Italian.
