The Story:

this was another good punt for me.only second time with an oriental and would def be up for her again.for a thai she has amazing natural boobs and a neat body.in the room it started with plenty kissing and groping then onto owo which was fantastic her tongue is like a lizards(no kiddin)and she knows where to put it to good use.i usually pay for cum twice ,which i did however changed my first cum to a good hard shagg with her on top then some oral for a second helping.shes very pleasant and has a nice personality.
