The Story:

Arranged at short notice (10 minutes!) after another appointment fell through. Agency very good with directions so well done. Victoria looked very placid and doe eyed but came to life once naked. We kissed very passionately and she offered OWO but not CIM. She had no objection to a finger up her bum (which I always enjoy.) Nice juicy pussy which I enjoyed probing and licking. Finished with anal sex and she was nice and tight. Well good and excellent VFM
