The Story:

Having seen Leah some time ago I had forgotton how beautiful she is particularly the new improved one

Leah entered the room wearing a short green dress and greeted me with a big kiss remembering me from my last visit and while catching up on what we had been up to since our last encounter we slowly undressed each other asI could not wait to get a good view of her new breasts and when we were both naked I asked Leah to stand up so I could fully appreciate the full beauty of her gorgeous body which rightly she is very proud of

Next we both fell back on the bed while we explored each others bodies and it felt great with her long hair soft skin all over my body making me very aroused but on this occasion I wont go into details but just to say that the hour I spent with Leah was atotal pleasure and I feel privledged to be in the company of soch an incredibly attractive lady Thanks Peter xxx
