The Story:

My first visit to Jan, and after reading all of the previous reports had a good idea of what to expect and I was not dissapointed. I Was greeted at the door by the loveley Jan - Short skirt and stockings on show and was led to the bedroom. Too much detail to list, but basically lots of Kissing, Oral and Wanking with Jan swallowing the lot, I had a good play with her pussy which she really seemed to enjoy and lots of friendly chat afterwords. Fantastic.
