The Premises:

Pleasant area. Safe on street parking.

Large flat - bedroom has good double bed.

The Lady:

Paris is a black girl - pal-ish skinned in her late twenties. Nice big bum and very curvy. Friendly personality.

The Story:

Rubbed bum on my groin then sat in the chair in front of me and inserted large toy. On to her knees for an excellent BBBJ, moving seamlessly into 69. Then she lay on the bed while I went down below, which she seemed to enjoy. Some French kissing then the rubber then straight into mish. Lots of vocal encouragement from her which did the trick.

One minor fault is that she talks too much - unusual I know!

But a very enjoyable half hour and excellent VFM. Her rates are going up soon.
