### The Premises:

Nice flat very close to Marble Arch. Tidy and clean with bathroom and shower.

### The Lady:

Pictures on the site are her, but she has put on some weight since then. She's probale still only a size 10 maybe a 12. HShe has some oriental features that will appeal to some, but the whole point of my visit was that 34G chest. Wow. It's quite something to be seen.

### The Story:

Bit of an odd one. Lilly seems a nice girl, but she was a tad detached from the process. I started off going down on her which she enjoyed and then asked to come on her tits which was great. That bosom is so huge you can pump away all day ! After a chat during which I made hre laugh frequently she then seemed t freeze up again for round two. Still, I got her on the sofa and got a good grip of that chest as I pounded her.

All in all she's a lovely girl, just a bit distant for me.
