The Premises:

First visit to here but I go along with previous reports, very clean, safe and very good parking facilities around the place.

The Lady:

Sarah, is about 21/22 yrs old, about 5'6" tall I would say, very very pretty looking, with shoulder length fair to blonde hair, built with an exceptionally lithe body, in fact I would say near to being the perfect female body in my opinion. I chose Sarah from the 5 girls who were in lounge because of how she was dressed more than anything else, because as you sit there eyeing girls up, they all look good at that point, the difference with what Sarah was wearing, was that she had on a lovely black dress that was not too revealing whereas most other girls were wearing very little and for my taste it was just a bit too much in your face.

The Story:

As I said this was my first visit here, and chose Sarah, have since checked and I cannot believe there has never been a report done on this girl before. She was exceptional in the room, no she was even better than that, maybe it was just that her and I clicked who knows but I had a brilliant 45 mins in room with her.

She had a brilliant sense of humour throughout, made the whole thing fun, and I can tell you only one other girl has given me a better BJ than this and that was the now retired Claire from a previous sauna. Sarah can be wickedly cruel in the best way to very dirty and also exude an air of a very quiet demure girl, but once in the room she changes into sex bomb, she loves giving oral, she told it is her speciality, but she also loves receiving it too as long as the man knows what to do in her own words, well not bragging here but she did compliment me on my oral skills and there was certainly no faking the orgasm she had.

In conclusion I would say that this girl is the 2nd best I have ever met and only beaten by a very short head by the afore mentioned Claire, I have thought a long time before posting this report as I do not want her to get too busy, but that would be unfair to her, and just looking after myself.

Will I go back - yes, will I choose Sarah again - yes - would I recommend her - yes, and will it be soon, yes, very much so, as soon as I am back in Edinburgh.

Sarah if you read this thanks very much for a great time and see you again soon, I know you will not know who I am but that's beside the point, you were exceptionally good.
