The Premises:

World Famous Babes at Bury is excellent. The rooms are large, clean and tidy, and comfortable. But the best bit is the reception/bar area which is very large. Another thing that impressed me is that you can stay in the bar area for as long as you like before and after seeing the girl of your choice. The other girls sit with you and chat away if they don't have a client. It's all very friendly and welcoming. The receptionist on this day was Janine, who was extremely friendly. After 3 visits I've grown to love the atmosphere, the friendliness and the very definite no rush policy at WFB.

The Lady:

Patrice, very good looking, nice body and legs. Slim, slightly athletic and gorgeous dark hair. A lovely face with 'wicked' eyes which she uses to full advantage. Not only is she lovely looking but she is facially so expressive and has a really lovely speaking voice.

The Story:

As far as I am concerned Patrice is absolute perfection. I like plenty of GFE, but with Patrice I don't get GFE, I get a true girlfriend for the half hour, and the best one I've ever had at that, whether paid for or in real life. I just feel so wonderfully at ease in everything I do with Patrice, she instinctively knows exactly what to do and does it with great skill. She just takes control and I am in wonderland. The GFE, the OWO with wicked eye contact, and straight sex were fantastic. And on this visit she went into cowgirl position, I wouldn't have believed any one could move and girate with such feeling. It really was the tops. Anybody reading this who has visited Patrice will know exactly what I mean, and those who have not had the pleasure, well you don't know what you're missing.
