### The Premises:

Functional end of terrace private house on outskirts of Telford, clean, tidy. Safe parking within feet of the front door, in a very quiet residential area

### The Lady:

Helen is 43, with lovely 34 dd breasts, at present Long auburn hair, great legs, in fact sex on legs is a very apt description. Look at the photos on her web site, and you will have to agree. She's very friendly, and easily one of the sexiest women you are ever likely to meet.

### The Story:

I Have been chatting to Helen for sometime on the phone and on messenger, but have never been able to secure an appointment, such is her vast regular client base.

Obviously these lucky lads get first call on her time. but I was lucky enough to pop in and meet her while in the area, just to buy one of the CDs that the lads on her messageboard rave about.

I followed her accurate directions and was greeted at the door with a warm kiss, Helen wearing next to nothing, soon led me up the stairs to a large bed, where we indulged in some lovely mutual owo eventually to completion, a wonderful experience performed by a lady who clearly loves the taste of a man.

Although this introduction only lasted about 15 - 20 minutes, I feel confident now that we are comfortable in each others company I will get to see Helen for a full appointment in the near future.

A good way for ladies to get to know potential clients, I seem to remember one or two girls used to do a taster service prior to a full appointment, Ideal for both parties. And in this case the added bonus of a CD crammed full of very tasteful pictures that would not be out of place in the best glossy magazines.
