### The Premises:

Kylie is a wonderful addition to the London scene and a further beauty in this agency's gallery of models. In fact Kylie did used to work a few years ago but has recently just come back on the scene after a 2-year absence. This lady is a peach; sophisticated, educated, well-spoken, daring and a thoroughly great person to be with.

Her apartment is on a well-known street in Maida Vale. Very safe and comfortable. I was greeted in a very professional and courteous manner at the door. Kylie was wearing the most delightful (and brief) pink underwear. I dispensed with the cash and we cracked open a bottle of bubbly. This seemed to relax both of us as we had a very pleasant chat for approx 15 minutes.

### The Lady:

Kylie is a real stunner; her eyes are piercing; her petite figure is to die for; her pert breast just the right shape and size for my liking.

### The Story:

We began to French kiss very tenderly and within moments my clothes were off and my head buried in her delightfully sweet pussy. I must have spent an eternity there licking and sucking while she gyrated and moaned in what seemed a very genuine manner. In fact, she did come over my face ? her thigh muscles being very strong and clasped my head for a good minute or two while her spasms subsided.

Kylie then proceeded to give me a wonderful un-covered blowjob. Very deep and applying just the right pressure. I was determined not to come in her mouth (she said she would gladly swallow); instead, I wanted her sat on my throbbing cock. This she accepted gladly after slipping on a rubber. This girl is HOT! We proceeded to have sex in about 4 different positions and with each one her pleasure became more and more audible. I eventually emptied my load from behind claspings her sweet butt and shooting deep inside her. (She's even accepts and enjoys a little playful finger up her arse as long as penetration is not too deep)

We kissed and cuddled for a little while and we then gave each other a massage and it was

pleasurable all round. Round two started with her giving me another fantastic blowjob. This time I just couldn't resist and shot very quickly into her mouth. She seemed a little disappointed that I came so quickly but she lapped up every drop of my juice.

After a quick shower, we began to get dressed, finished the champers and chatted merrily for another 10 minutes or so. This lady is no clock-watcher and really cares about her clients. I would thoroughly recommend her and give her a perfect 10 out of 10 for attitude, service and performance. Her looks and figure are stunning ? 9 out of 10. Don't miss out on this beauty.
