The Story:

from the first moment i met trisha ,i knew after many years of punting,that at last ive found a gem.this woman is pure sex.we got on well straight away,she knew what i wanted,and she gave me the best hour of sex ive had for a very long time.i will not go into details,thats between trisha and me,but to say that she gives the best oral is an understatement.a very classy and polite lady who likes her work.if bbw ladies are your thing,this lady is the best.dont take my word,and she gives a very intimate massage with her collection of toys.not to be missed.
