### The Premises:

Saw the ad in the sport. Nice and discreet just behind Murrayfield stadium. In a flat with no entry system so could go straight to the door.

### The Lady:

Hayley blew me away when she came in the room with a school girl outfit and hair in bunches and her HH bust peeking through her see through white blouse! Blond hair and very pretty.

### The Story:

Hayley relaxed my nerves with a sensual massage and chatted away and made me feel so at ease. After a good tickle in the right areas she performed a sexy lap dance and asked me to help her strip and we got down to the fun. I satisfied her orally and we exploded together. She has left me begging for more and the english rose was a bundle of fun.
