The Premises:

Clean comfortable studio apartment in well known block for WG. A porter in attendance but he didn't seem to care. Safe area.

The Lady:

A beautiful, long blonde hair, blue eyes EE lady. Petit with a wonderfully curvaceous bum and a couple of very sexy tatoos. Lovely 34B sized pert breasts. Basically, a igure to die for.

The Story:

Victoria has been in London for approx 4 months and really knows her business. The ultimate professional, she looks after your every need. We got to know each other over a bottle of wine she made us both a bit adventurous.

Started off by giving Victoria a good old fashioned licking of her delightfully tasting pussy. Totally shaved and become very wet very quickly. She responded with a top-draw OWO including some excellent ball licking and rimming (this was particularly good). I shot a full load in her mouth which she gratefully accepted, but spat out in the bathroom.

After a little massage, round two began with her slipping on a rubber and we had sex in many positions. Victoria is also partial to a good finger up the arse while taking her from behind. Although I didn't ask, she may be willing to do anal. Anyway, I couldn't quite come inside her but she was determined to finish me off. She pulled off the rubber and wanked me to completion, showering her face and tits. This brought a little smile to her face which I thought was cute.

Anyway, top escort sex with a very sweet girl. Treat her well and she'll make your time spent with her a time to remember. 9 out of ten for looks and performance.
