The Story:

Morgan quickly put me at ease as this was my first visit. Had a drink and a chat before moving on to the bedroom. She asked what turned me on, and I asked her the same. Morgan started by giving me a massage before moving on to OWO, followed by me retuning the compliment until she orgasmed. We then went to 69, before she put the mac on and climbed on me, before we finished doggy. At all times Morgan was great company and I really enjoyed the relaxed atmosphere and no rush approach. Thanks Morgan
