The Lady:

brunette slim mid-20's (apologies if I'm wrong) 34-22-34 wearing black lingerie and a lovely smile which decided me despite the other 2 lovely ladies presented to me.

The Story:

After a slight problem with the jacuzzi for which many apologies were made, we settled for massage to start which was one of the best massages I've had for a long time. We chatted while this was going on until I turned over and persuaded Lexy to remove her clothes. I had to beg for all of 2 seconds. She kisses beautifully and softly and that alone was enough to provoke a session of real GFE cuddling and touching. She doesn't do A but there was no need as she gave me O with condom where we had a bit of a struggle but she is a star and after moving into 69 she gave me a wonderful BJ. We had sex with her on top gradually moving to the cat position when I am sure she orgasmed.

As time was getting on she ended up with finishing me off by hand and as we were just getting ready to leave, the dreaded door-knock came. She has a very sweet personality and please look after her. We both have yet to have a shared jacuzzi and I will return if only for that pleasure.
